Intake Side

1. Blowby tube
2. Ambient air pressure sensor
3. 31-pin OEM connector
4. Engine data tag
5. Electronic control module (ECM)
6. Engine serial number
7. Cooling plate
8. Starter
9. Flywheel ring gear sensor
10. Fuel outlet from cooling plate to injector rail
11. Fuel vacuum
12. Fuel outlet from pump
13. Fuel filter with integral water-in-fuel sensor
14. Oil drain plug
15. Fuel rail pressure sensor
16. Power steering pump mounting location
17. Oil pressure/temperature sensor

18. Engine position sensor
19. Freon compressor mounting location
20. Air compressor.

Exhaust Side

1. Either hookup
2. Turbocharger
3. Intake manifold temperature sensor
4. Intake manifold pressure sensor
5. Intake manifold
6. Coolant temperature sensor
7. Engine brake oil supply
8. Oil pan drain plug
9. Oil pan sump heater
10. Oil pressure after filter
11. Oil pressure before filter
12. Coolant heater.
