Engine Testing

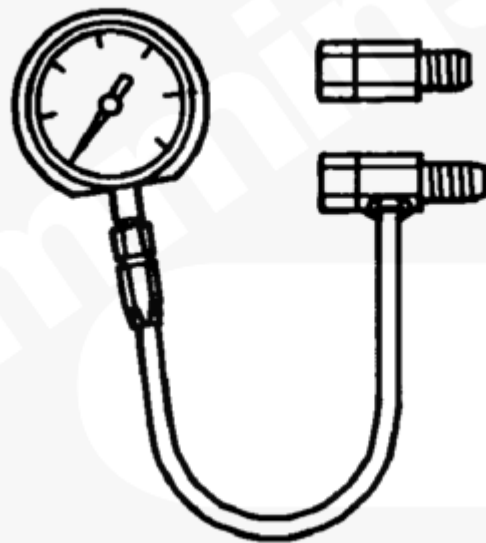

Tool Number

ST-434

Vacuum Gauge

Used to check fuel filter or intake air restriction.

©Cummins Inc

eg8togc

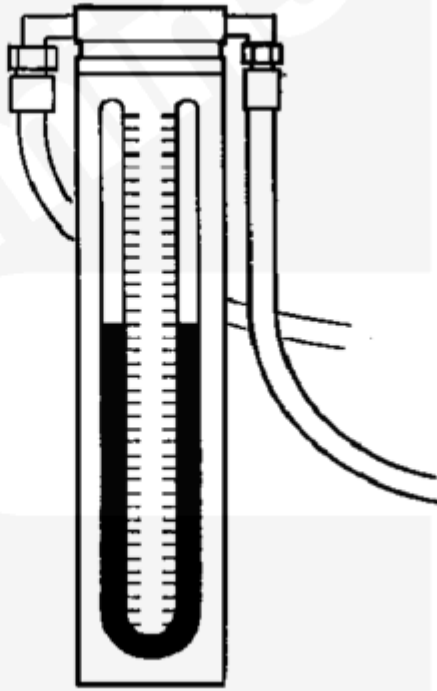

Tool Number

ST-1111-3

Manometer

Used with tool, Part Number 3375150, for measuring blowby.

©Cummins Inc

eg100ja

Tool Number

ST-1135

Lubricating Oil Sampling Filter

Used to monitor oil contamination.

©Cummins Inc

st-1135

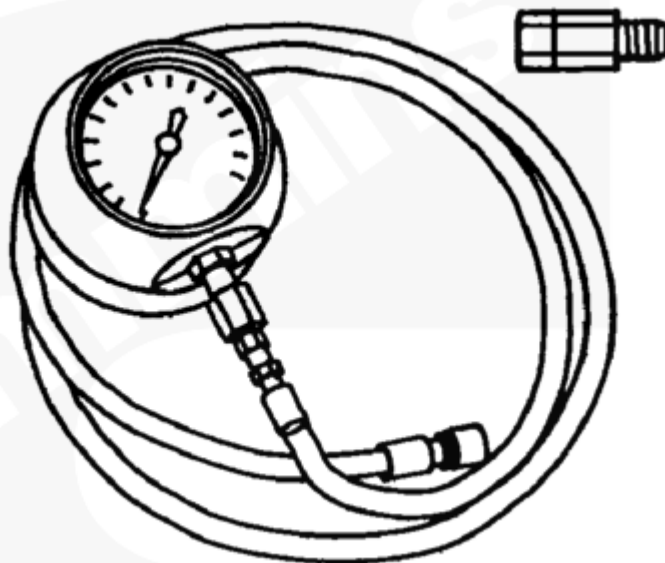

Tool Number

ST-1273

Pressure Gauge

Used to measure intake manifold pressure. The pressure gauge is not needed if INSITE™ electronic service tool is available.

©Cummins Inc

eg8togi

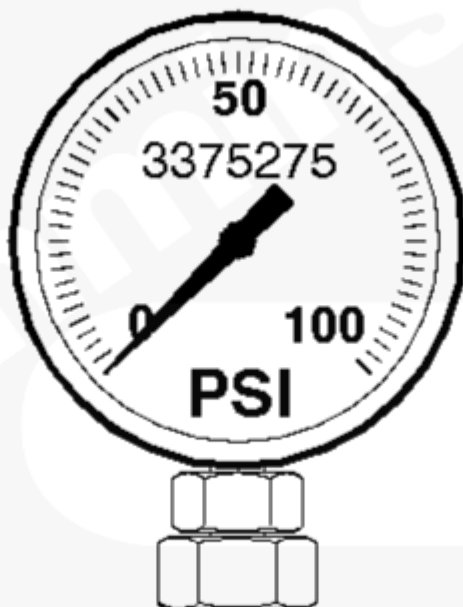

Tool Number

3375275

Pressure Gauge (0 to 160 psi)

Used to measure lubricating oil pressure. The pressure gauge is not needed if INSITE™ electronic service tool is available.

©Cummins Inc

3375275

Tool Number

3375932

Pressure Gauge (0 to 300 psi)

Used to measure fuel pressure. Includes necessary hoses and hardware to attach to a fuel pump. Part Number ST-435-1 is the hose and Part Number ST-435-6 is the pressure gauge.

eg8togh

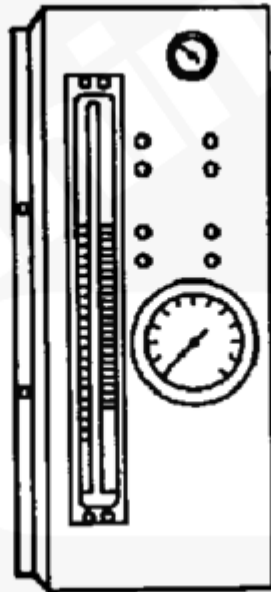

Tool Number

3376375

Fuel Measuring Device

Used to measure the rate of fuel consumption of a Cummins® diesel engine.

©Cummins Inc

eg8togf

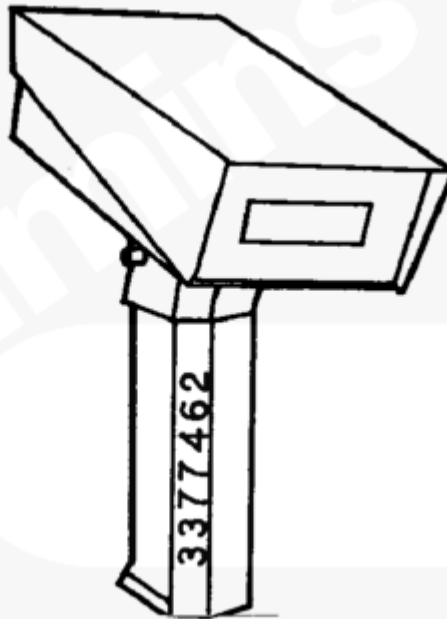

Tool Number

3377462

Digital Optical Tachometer

Used to measure engine speed (rpm). The digital optical tachometer is not needed if INSITE™ electronic service tool is available.

©Cummins Inc

3377462,

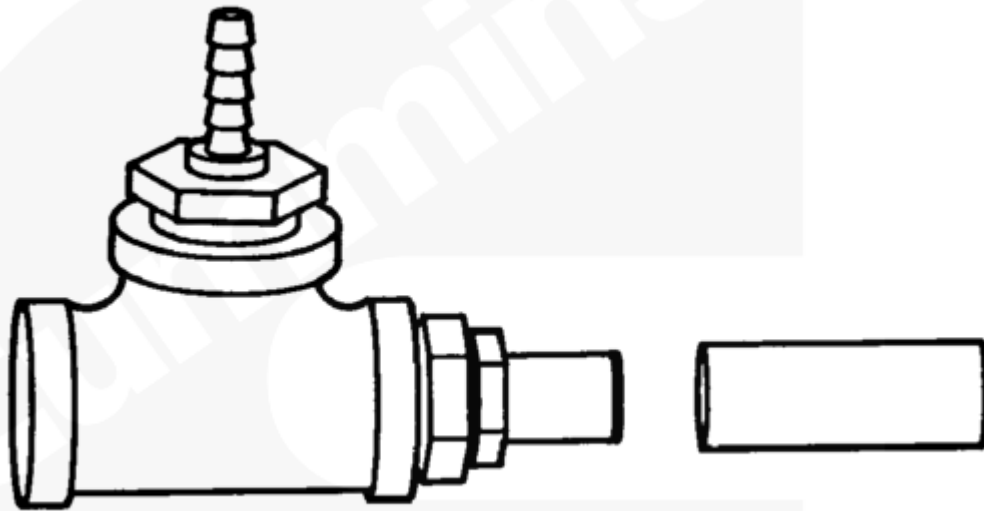

Tool Number

3822566

Blowby Check Tool (.302 Orifice)

Used with manometer, Part Number ST-1111-3, to measure the engine crankcase pressure.

©Cummins Inc

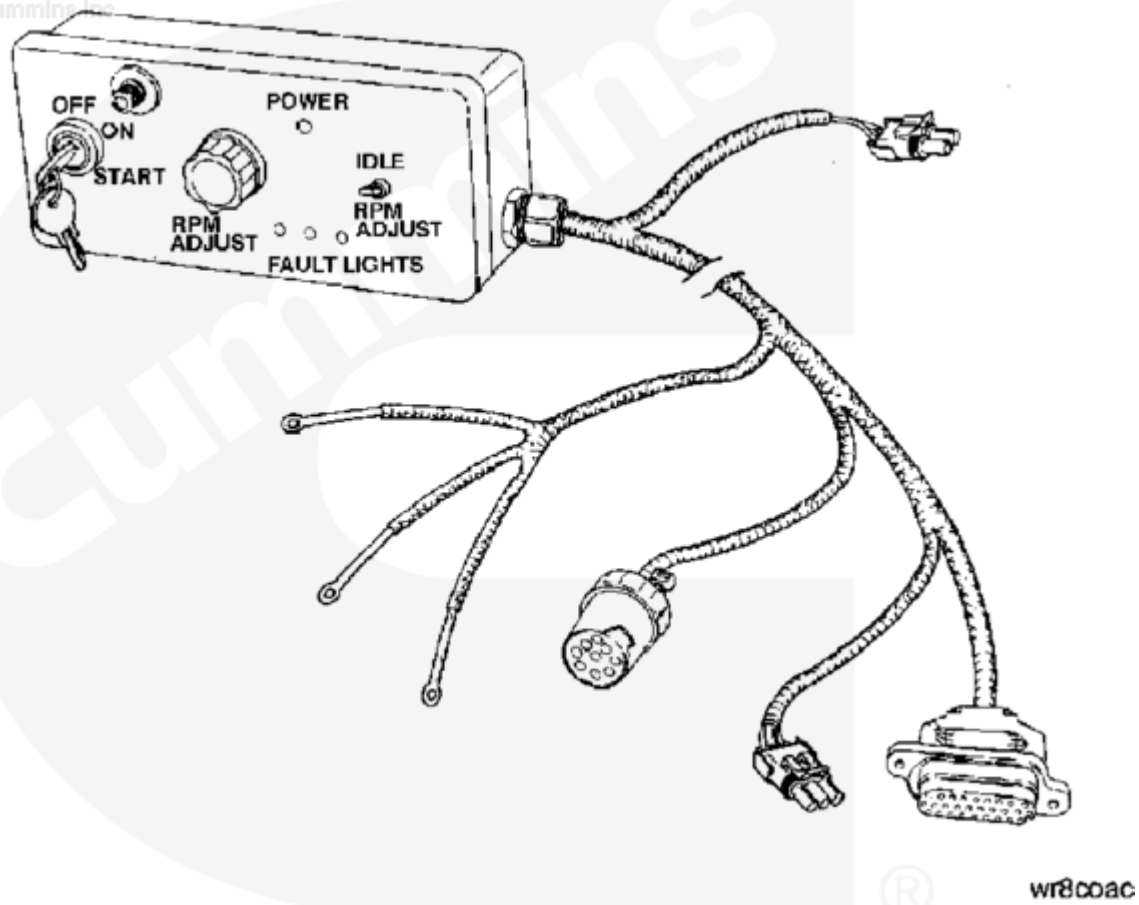

eg8toge

Tool Number

3823948

CELECT™/CELECT™ Plus Engine Dynamometer Control

Used on an engine dynamometer to control the CELECT™/CELECT™ Plus engine.

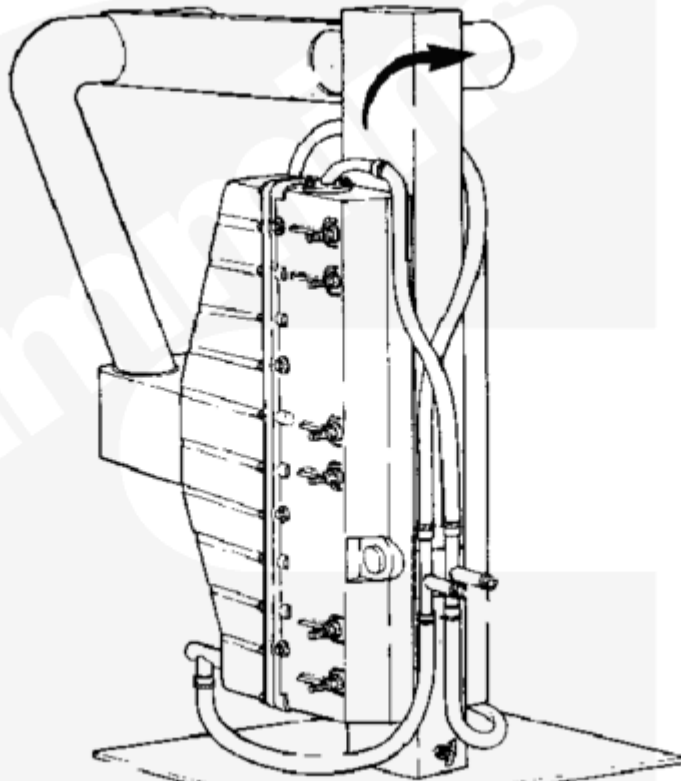

Tool Number

3823978

Dynamometer-Room Charge Air Cooler

Used to cool intake air when an air-to-air engine is operated on an engine dynamometer.

©Cummins Inc

3823978

Tool Number

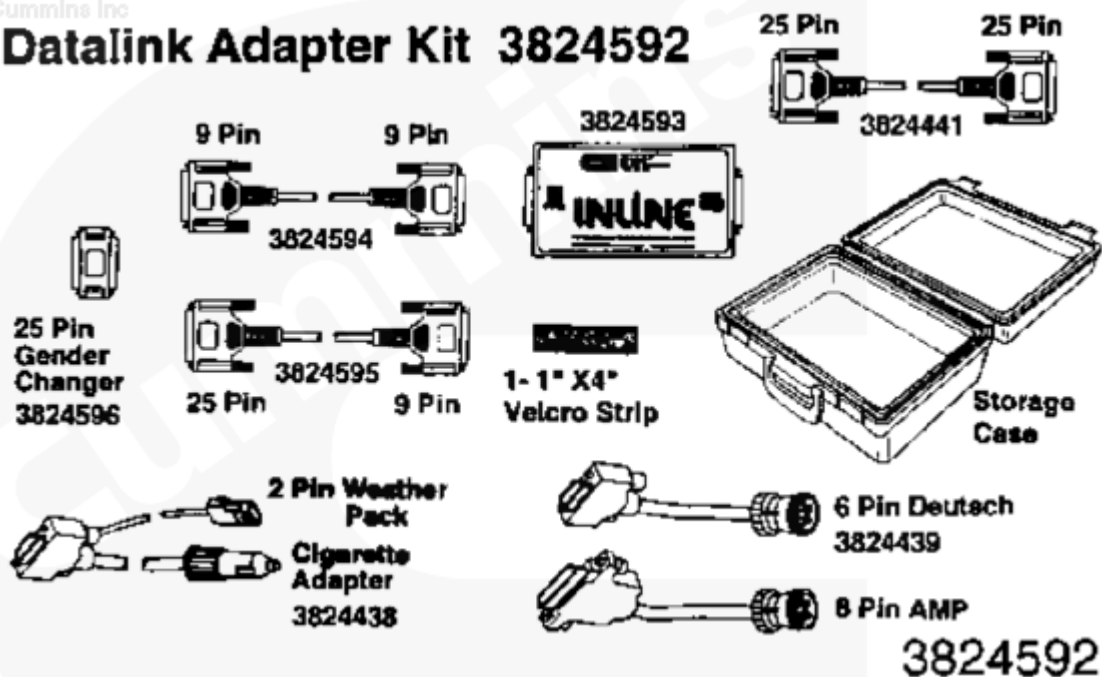

3162844

Datalink Adapter Kit

INLINE 2™ adapter and associated cables are used to connect a computer to an engine datalink.

©Cummins Inc

Datalink Adapter Kit 3824592

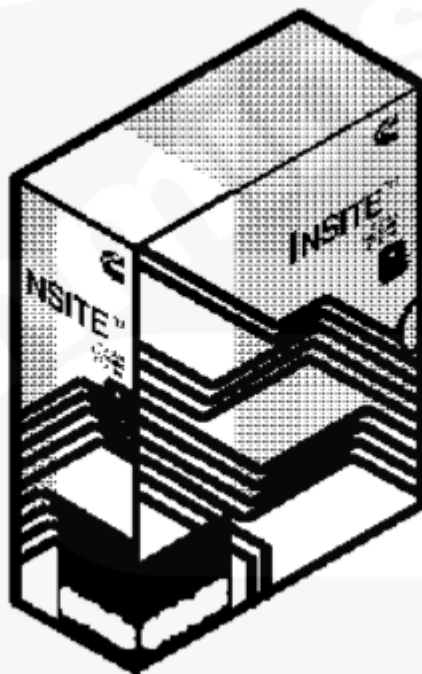

Tool Number

3886206

INSITE™ Electronic Service Tool Software Kit

This INSITE™ software kit, Part Number 3885790, is for use with interact system engines. Each software kit can also be ordered separately. The kits are used to troubleshoot, program, and adjust the electronic control system.
