Fuel System

Automotive with CM875, CM870 and CM570

1. Fuel supply from tank
2. Fuel pump
3. Fuel filter
4. Injector
5. Fuel drain from injector
6. Fuel to injector
7. ECM cooling plate.

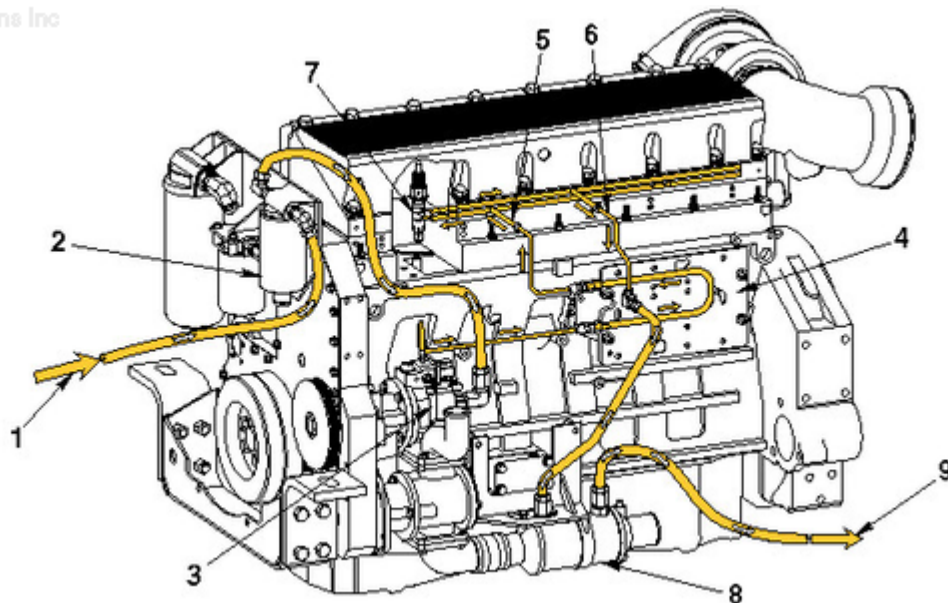

Automotive with CM876

1. Fuel supply from tank
2. Fuel filter
3. Fuel Pump
4. Fuel supply to ECM cooler
5. ECM cooling plate
6. Fuel supply to injectors
7. Injector
8. Fuel supply to aftertreatment injector system
9. Aftertreatment shutoff valve
10. Aftertreatment pressure sensor
11. Fuel supply to aftertreatment fuel injector
12. Aftertreatment fuel injector
13. Fuel drain to tank
