General Information

The crankshaft gear can **not** be removed from the crankshaft with the crankshaft installed. Refer to Procedure 001-016 (</qs3/pubsys2/xml/en/procedures/40/40-001-016-tr.html>) to remove the crankshaft and Procedure 001-019 (</qs3/pubsys2/xml/en/procedures/40/40-001-019.html>) to remove the crankshaft gear.
