Tool Number

3377259

Bosch® Timing Tool (VE Pump)

Used to time the Bosch® VE fuel pump.

©Cummins Inc

3377259

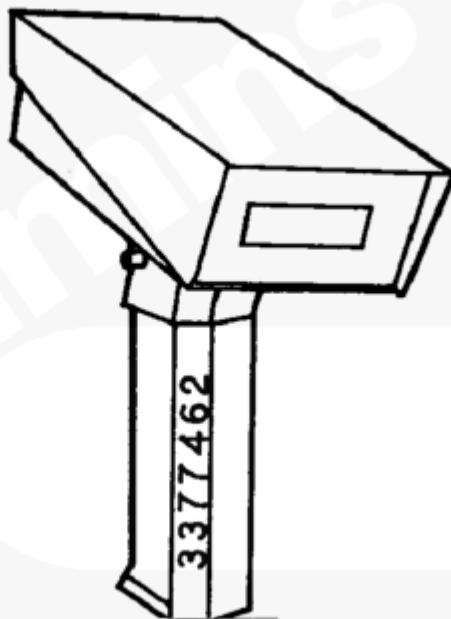

Tool Number

3377462

Tachometer

Used to measure engine cranking speed.

©Cummins Inc

3377462,

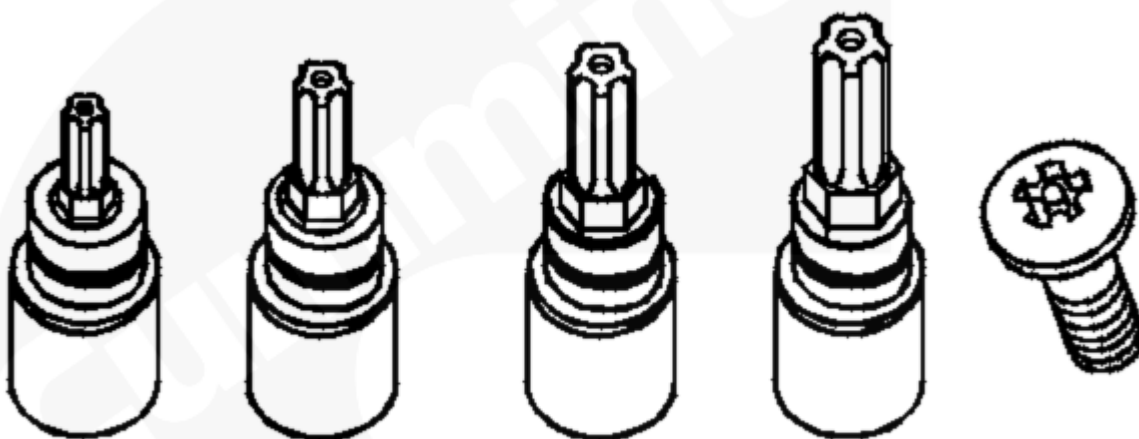

Tool Number

3399870

Tamper-Resistant Screw Removal Tool

Used to remove tamper-resistant screw on fuel pump.

©Cummins Inc

3399870

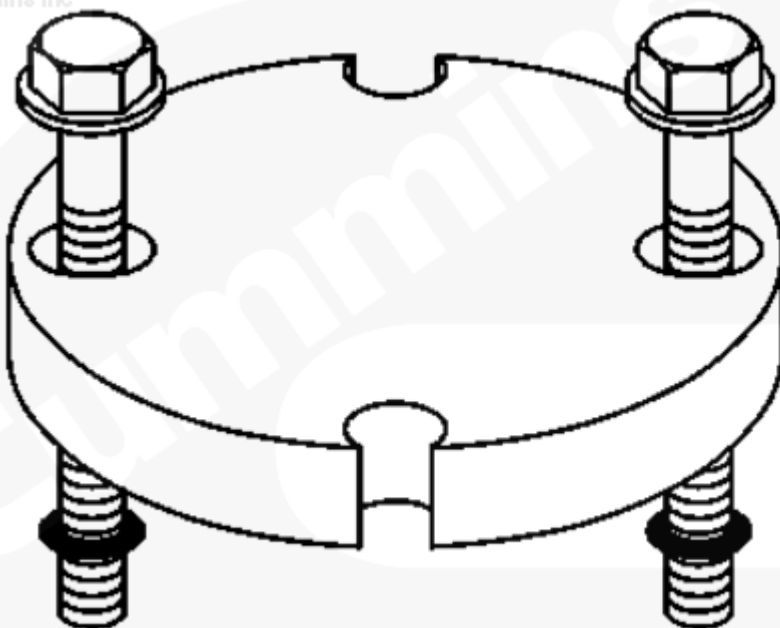

Tool Number

3163381

Fuel Pump Gear Puller

Used to pull the fuel pump gear. Includes Part Number 3900633 capscrews.

©Cummins Inc

22d00240

Tool Number

3824510

QD Contact Cleaner

A nonpetroleum cleaner used to clean electrical connections.

©Cummins Inc

oi8togt

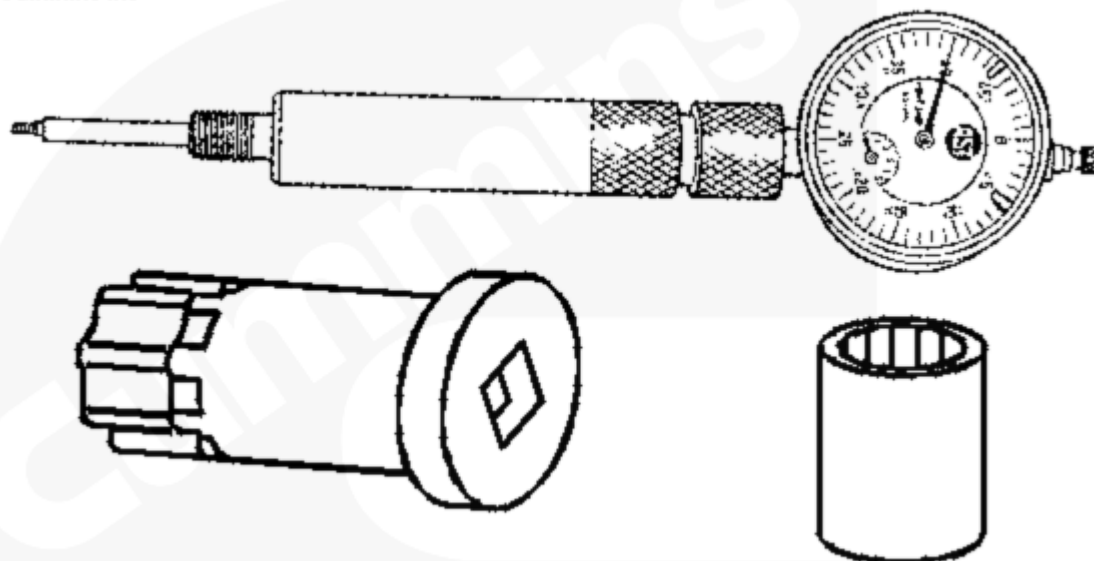

Tool Number

3162853

Bosch® Lift Plunger Timing Tool (In-line pump)

Used to time the Bosch® in-line pump.

©Cummins Inc

3824563

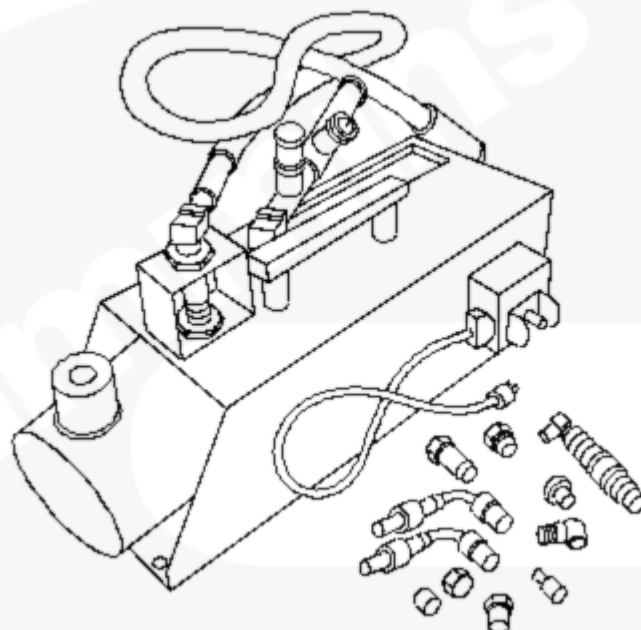

Tool Number

3824568

High-Pressure Spill Port Timing Tool

Used to check and compare fuel pump timing to engine timing.

©Cummins Inc

3824568

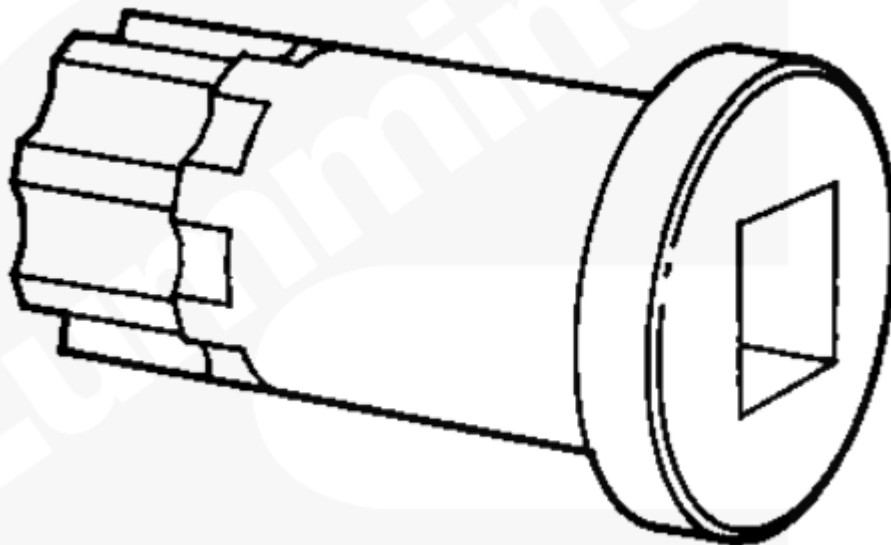

Tool Number

5299073

Barring Tool

Used to engage the flywheel ring gear to rotate the crankshaft.

©Cummins Inc

3824591

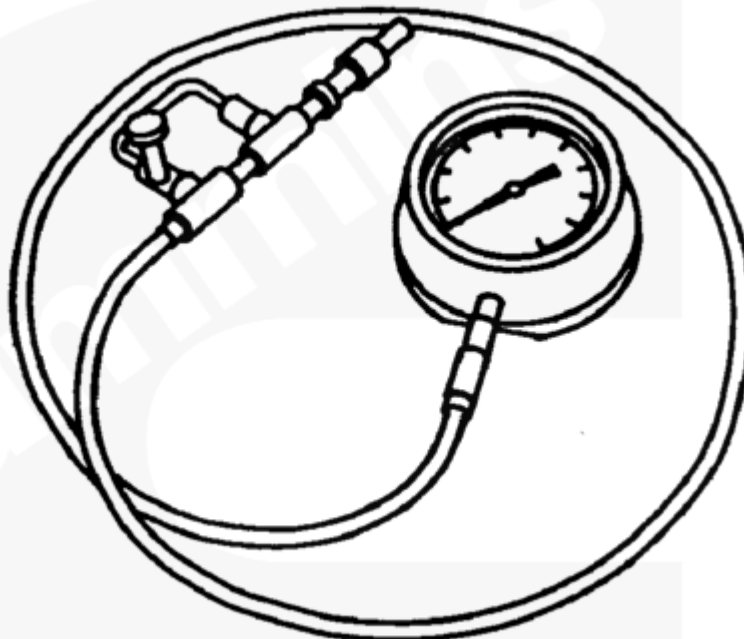

Tool Number

3375932

Pressure Gauge

Used to measure gas pressure after high pressure regulator.

©Cummins Inc

3375932

Tool Number

3823984

Combustible Gas Detector

Used to detect combustible gas leaks.
