Install

Replace the original equipment cooling fan with a cooling fan of the identical part number. Cummins Inc. must approve any cooling fan changes.

⚠ WARNING ⚠

This component weighs 23 kg [50 lb] or more. To reduce the possibility of personal injury, use a hoist or get assistance to lift this component.

Install the cooling fan, applicable spacer, and capscrews.

Tighten the cooling fan capscrews. Refer to the OEM service manual for correct capscrew torque.
