Clean and Inspect for Reuse

⚠ WARNING ⚠

When using solvents, acids, or alkaline materials for cleaning, follow the manufacturer's recommendations for use. Wear goggles and protective clothing to reduce the possibility of personal injury.

⚠ WARNING ⚠

Wear appropriate eye and face protection when using compressed air. Flying debris and dirt can cause personal injury.

Clean the aftercooler water inlet and outlet tubes with solvent and dry with compressed air.

Make sure the tubes are clean and free from debris.

Check the tubes for cracks, dents or damage.

Replace the tube if damaged.
