Press-Fit Barrel and Plungers and Ceramic Links for Family K STC Injectors (1225)

Press-Fit Barrel and Plungers and Ceramic Links for Family K STC Injectors (1225)

Warranty Statement

The information in this document has no effect on present warranty coverage or repair practices, nor does it authorize TRP or Campaign actions.

Contents

This document was originally released between 1994 and 2001. It has been added to QSOL for informational purposes

This document announces the release of a press-fit barrel and plunger assembly and a ceramic link for family K STC injectors. These new parts will provide the same improvement in reliability and durability as Premium K STC injectors. The new barrel and plunger assembly and ceramic link supersede and obsolete the barrel and plunger assembly and steel link. Refer to Table 1.

Table 1: Superseding Part Nos.

Family K STC Injector Part No.	New Barrel and Plunger Part No.	Old Barrel and Plunger Part No.	New Ceramic Link Part No.	Old Steel Link Part No.
3059927	3076126	3053483	3279819	3042426
3067393	3076126	3053483	3279819	3042426
3279719	3076126	3053483	3279819	3042426

Note : The new ceramic link, Part No. 3279189, is 0.070 inches longer than the old steel link, Part No. 3042426.

This is a product improvement and is **not** subject to campaign.
