

Flow Diagram

1. Coolant inlet
2. Pump impeller
3. Coolant flow past lubricating oil cooler
4. Coolant flow past cylinders
5. Coolant flow to cylinder head.

1. Coolant flow from the cylinder head
2. Coolant flow to thermostat housing
3. Coolant flow past injector
4. Thermostat
5. Coolant bypass passage
6. Coolant flow to water pump inlet
7. Coolant bypass closed
8. Coolant flow back to radiator.
