General Information

Fleetguard® is a subsidiary of Cummins Inc. Fleetguard® filters are developed through joint testing at Cummins, Inc. and Fleetguard®. Fleetguard® filters are standard on new Cummins® engines. Cummins Inc. recommends their use.

Fleetguard® products meet all Cummins® Source Approval Test standards to provide the quality filtration necessary to achieve the engine's design life. If other brands are substituted, the purchaser should insist on products the supplier has tested to meet Cummins, Inc. high-quality standards.

Cummins, Inc. can **not** be responsible for problems caused by nongenuine filters that do **not** meet Cummins® performance or durability requirements.
