

## Trainings ▾

### General Information

The following publications can be purchased through Cummins Inc.

| Bulletin Number | Title of Publication                                                      |
|-----------------|---------------------------------------------------------------------------|
| 4021539         | QST30 Service Manual                                                      |
| 3666239         | Troubleshooting and Repair Manual, Signature, ISX, and QSX15 Engines      |
| 3666261         | Troubleshooting and Repair Manual, QSK Fuel System, QSK45/60 Engines      |
| 3666727         | Troubleshooting and Repair Manual, QSK78 Engines                          |
| 4021375         | Troubleshooting and Repair Manual, QSK23 Engines                          |
| 3666190         | QST30 Shop Manual                                                         |
| 3666134         | Operation and Maintenance Manual, QST30                                   |
| 3666260         | Operation and Maintenance Manual, QSK Fuel System, QSK45/60 Engines       |
| 3666714         | Operation and Maintenance Manual, QSK78 Engines                           |
| 4021374         | Operation and Maintenance Manual, QSK23 Engines                           |
| 3666347         | QSK45/60 Generator-Drive Control System Wiring Diagram                    |
| 4021348         | QSX15 Generator-Drive Control System with Priming Pump Wiring Diagram     |
| 3666349         | QSX15 Generator-Drive Control System Wiring Diagram                       |
| 3666465         | QSK45/60 PowerCommand® Control 3200 with Control Housing 1 Wiring Diagram |
| 3884960         | QSX15/QSK45/QSK60 Generator-Drive Control System                          |
| 4000188         | QST30 Generator-Drive Control System                                      |
| 4021346         | QST30 Generator-Drive Control System Wiring Diagram                       |

| Bulletin Number | Title of Publication                                                                           |
|-----------------|------------------------------------------------------------------------------------------------|
| 4021371         | QST30 Generator-Drive Control System Upgrade Wiring Diagram                                    |
| 4021380         | QSK45/60/78 Generator-Drive Control System Wiring Diagram                                      |
| 4021393         | QSK23 Generator Drive Control System Wiring Diagram                                            |
| 4021405         | QSK23 PowerCommand® Control 3200 Wiring Diagram                                                |
| 4021406         | QSK45 and QSK60 PowerCommand® Control 3200 with Control Housing 1 and Centinel™ Wiring Diagram |
| 4021407         | QSK45 and QSK60 PowerCommand® Control 3200 with Control Housing 2 Wiring Diagram               |
| 4021408         | QSK45 and QSK60 PowerCommand® Control 3200 with Control Housing 2 and Centinel™ Wiring Diagram |
| 4021411         | QSK78 Industrial with CENSE™ Wiring Diagram                                                    |
| 3666256         | Warranty Failure Codes - High Horse Power                                                      |
| 3666257         | Warranty Failure Codes - Heavy Duty                                                            |
