New Valve Markings for Part Number Identification

New Valve Markings for Part Number Identification

Warranty Statement

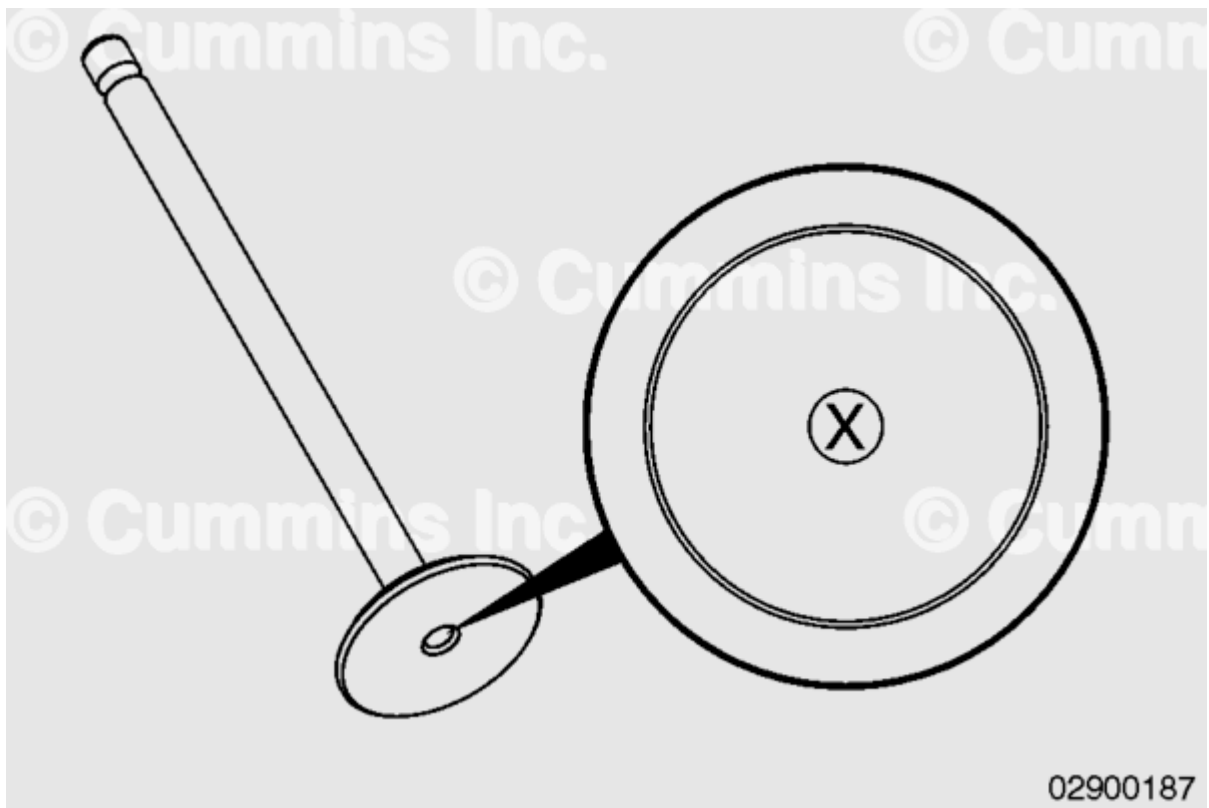

The information in this document has no effect on present warranty coverage or repair practices, nor does it authorize TRP or Campaign actions.

Contents

This Technical Service Bulletin announces a new marking on C and L engine series valves.

To improve identification of valve part numbers, valves produced after August 2009 have a letter forged on the center of the valve face. Reference the chart below to identify the part numbers by letter.

Part Number	Letter
4981794	C
4981795	X
3942588	U
3942589	S
3969637	O
3970727	J

Identification letter
