New Lubricating Oil Pan Adapter Gasket

New Lubricating Oil Pan Adapter Gasket

Warranty Statement

The information in this document has no effect on present warranty coverage or repair practices, nor does it authorize TRP or Campaign actions.

Contents

Product Affected

- K19 (All Versions)
- KTA19 G (All Versions)
- QSK19 (All Versions)
- QSK19 G (All Versions)

Description of Change

- A new style lubricating oil pan adapter gasket with integrated rectangular strip seal is available.
- New lubricating oil pan adapter gasket utilizes:
 - Metal carrier
 - Molded rubber around capscrew holes
 - Edge molded rubber

Reason for Change

New edge molded rubber lubricating oil pan gasket resists lubricating oil leaks at lubricating oil pan adapter joint.

Service Parts Availability

Service parts are available. See Table 1 for part numbers.

Table 1, Service Parts
